

Stops glasses, mirrors, windows, lenses and more from fogging, while cleaning the surface to a crystal clear shine. Safe and alcohol free. Increases vision and clarity. Anti-static, dust/dirt repellent. Lasts longer than other products at half the price!

The mild ingredients are safe on all lenses. Simply apply with your finger tips and wipe off with a microfiber or non abrasive cloth. It comes off leaving a clear film that prevents fogging, cleans the surface and even polishes small scratches, making cleaning in the future even easier! This product is safe for hundreds of applications and available in the convenient 1/2oz jar with a re-sealable lid. Use it as often as you like for clear, clean, smudge and fog free vision.
